

RFinder

Before powering on your *RFinder*...

This device is different from other radios or Android devices you may have used in the past. Please follow these instructions for the best experience.

- Have your Callsign and Email address
- Have your DMR ID from **<https://radioid.net>**
- Have your hotspot (not website) password from **<https://brandmeister.network>** (SelfCare page)
- Open the manual on a computer at **<https://manual.rfinder.com>**
- Use the manual as a step-by-step orientation and guide to ensure things go smoothly.

As the manual explains, the installer should be found at **<https://install.rfinder.com>**. *Do NOT use Google Play.*

If you run into issues, please reach out to us at **<https://help.rfinder.com>**. Do NOT contact the store or return your device until we can connect, as most problems are easily solved.

We thank you for choosing RFinder and that you will enjoy its one-of-a-kind benefits.
